

Cookie Policy

Effective Date: 01/01/2023

This Cookie Policy ("Policy") describes how Zintro, Inc. ("we," "us," or "our") uses cookies and similar tracking technologies on our website [<https://www.zintro.com>, <https://app.zintro.com>] ("Website"). This Policy explains what cookies are, how we use them, and your choices regarding their use.

What are cookies?

Cookies are small text files that are stored on your device (computer, tablet, or mobile device) when you visit our Website. These files contain information that allows the website to recognize and remember your preferences, improve your browsing experience, and provide personalized features.

How do we use cookies?

We use cookies for various purposes, including but not limited to:

- a. **Essential Cookies:** These cookies are necessary for the functioning of our Website. They enable basic features such as page navigation, access to secure areas, and form submissions. Without these cookies, our Website may not function properly.

- b. **Analytical Cookies:** We use these cookies to analyze how visitors use our Website, track user activity, and gather statistical information. This data helps us understand how users interact with our Website and improve its performance and functionality.

- c. **Functional Cookies:** These cookies enable personalized features and remember your preferences to enhance your user experience. They can remember your language preferences, login details, and other customized settings.

d. Advertising Cookies: We may use these cookies to deliver relevant advertisements to you based on your interests and browsing behavior. These cookies track your online activity and may be used by third-party advertisers to display targeted ads on our Website or other sites you visit.

e. Social Media Cookies: Our Website may include social media features or plugins that allow you to share content on various social media platforms. These features may set cookies to track your interaction with social media platforms or provide personalized advertisements.

Third-Party Cookies

We may also allow third-party service providers to place cookies on your device through our Website. These third-party cookies may collect information about your online activities across different websites and over time. We have no control over these cookies, and their use is governed by the respective third-party's privacy policies.

Your Cookie Choices

By using our Website, you consent to the use of cookies as described in this Policy. However, you have the option to manage or disable cookies through your browser settings. Please note that blocking or deleting cookies may impact the functionality of our Website and limit your access to certain features.

You can usually manage your cookie preferences through the browser settings. The following links provide instructions for managing cookie settings in popular browsers:
